MEMORANDUM FOR: Deputy Director of Central Intelligence

SUBJECT : TSS Action in Response to IG Survey Recommendations

REFERENCE : Memorandum for DDCI from COPS, DD/P, dated 6 March 1959

1. This memorandum is for information only.
2. The attached memorandum on which you requested my comments indicates definite progress in meeting the recommendations of the IG survey report. Recurring personnel problems in GARD, stemming in part from dissatisfaction with the former wage-hour pay scale, and the successful elimination of six positions through the position audit, support the validity of those recommendations.
3. TSS remains one of the major problem areas of the Agency and will continue to require close supervision by the DD/P.

Inspector General
